WALK FOR LIFE New Jersey: 12:00 PM

State House Annex (Outside) 145 West State Street |Trenton, NJ**

Walk for Life New Jersey is a first in NJ. Join us to let our voices be heard in prayer and unity as we peacefully walk with a message of love for women and the unborn! Sign up and see other participation opportunities on our website. **The Walk** will be a first in New Jersey so come and make history with us as we send a clear message for all life being honored in New Jersey. This event was birthed out of the collective efforts of **"Working Together For NJ"**. This is a collective effort of Pro-life organizations and activist to educate the public of the **"Reproductive Freedom Act"**.

This proposed bill is the most barbaric heartless legislation ever produced by New Jersey legislators. **"Enough is Enough"** Come join us January 22nd 2021 11:00AM as we walk to defend the defenseless and incite legislation such as **AS20/20** that preserves and honors the **"Sanctity Of Life"** from the womb to the tomb! This is a peaceful, prayerful and respectful demonstration.
